Mecca, in a desert valley in western Saudi Arabia, is Islam's holiest city, as it's the birthplace of the Prophet Muhammad and the faith itself. Only Muslims are allowed in the city, with millions arriving for the annual Hajj (pilgrimage). Dating from the 7th century, the central Masjid al-Haram (Sacred Mosque) surrounds the Kaaba, the cloth-covered cubic structure that's Islam's most sacred shrine.

Istanbul is a major city in Turkey that straddles Europe and Asia across the Bosphorus Strait. Its Old City reflects cultural influences of the many empires that once ruled here. In the Sultanahmet district, the open-air, Roman-era Hippodrome was for centuries the site of chariot races, and Egyptian obelisks also remain. The iconic Byzantine Hagia Sophia features a soaring 6th-century dome and rare Christian mosaics.

CUSTOMER'S REVIEWS

This trip was brilliant! Amazing, beautiful scenery, wonderful guides, great food and full of lots off active adventures.

beautiful people culture, awesome views

Our trip on Amazon river. There were so many highlights - outstanding bird parrot with leader Guillermo! What an achievement. Amazing organization and wonderful! Our awesome tour guide who worked with us with outstanding local and a guidance. The local people of Peru were so generous with their humor and culture. The hiking was challenging but the views made it worth the effort. Honestly I cannot think of a way this trip could have been better. We were so well cared for and it is definitely an active adventure.

As a solo traveler I rely on travel agents companies that can set me aside from regular tourists especially when I'm unfamiliar with the area. At the same time I expect them to provide excellent customer service, outstanding options, competitive pricing, and a wide range of services etc. After my trip with Active Adventures, I realized to volume that they check all of these boxes plus more.

It's a unique experience to travel with a group of people because you will have a lot more experiences you know you have to share the beauty of the trip, waterfalls, animals, etc. It's a great experience because you can start a new life if you start a new trip and switch the Koda.

We had a really nice time on this vacation. The hikes were challenging and led us to some very remote places of New Zealand. Day 3 of our trip in to the Siberia Valley and up to Lake Crucible was my favorite day. The scenery was breathtaking and the hike was perfect.

Fantastic guides showed us the best of the south island... couldn't have had a better trip!
